

Dinosauria - Part I : A Memory of Time

FIND THIS BOOK FOR FREE @ <http://www.smashwords.com/books/view/36644> Dinosaurs were wiped out sixty-five million years ago. But what if they weren't? What if we traveled back in time and changed history, allowing them to survive and evolve alongside humans? What then? What would they grow up to become? Dinosauria is a character-centric, post-apocalyptic, scifi time travel novel.
