

Dope Girl: The Beginning

To understand her future we need to explore her past. In this first installment of the DOPE GIRL saga we travel back in time literally and figuratively to Longs Mississippi. Monsters aren't born they've developed. Witness the events that shaped the mind of this beautiful yet deadly girl. Experience the childhood trauma that the whole world would one day feel. Once Tywana meets the original DOPE BOY she is forever changed. Changed for the better or worse depends on which side of her gun you find yourself on. Watch as she morphs from sweet country girl Tywana into street savy Cameisha. She's smart, pretty, and viscous. She is the DOPE GIRL. THE GIRL WHO WOULD BE KING!!
