

The Breakers: Pool of Life, Book 2

The Pool of Life is a collection of 48 poems written over 40 years. There are 4 chapter books starting with The Shallows, The Breakers, The Depths and The Sand. The poems can be read in any order, but I chose a specific order to tell my personal story. Wade with me into The Shallows, feel The Breakers crash. Sink to The Depths and resurface again. Bask with me on The Sand. We are the survivors of lifes shipwreck. As the sequel to The Shallows, The Breakers is a set of 12 poems that leads beyond the safety of shore into deeper water. Danger lies ahead. How well can you swim?
