

Great Wines Under \$20: Be the Toast of the Party Without Breaking the Bank

Great Wines Under \$20 offers select wines (100 red, 100 white) from around the world and organized by type: Chardonnay, Riesling; Merlot, Shiraz, etc., with suggested food pairings. Elyse Luray writes in clear and simple language, avoiding the arcane wine-speak that many beginning wine buyers find intimidating. The handy and portable size makes it an essential reference, whether browsing the local wine shop or ordering online. A color-coded index provides handy icons that quickly identify food pairings -- beef, chicken, fish, pasta, salad, etc., and the perfect wineglasses and tips from experts.
