

Quills and Crossroads: An Anthology, Rowlett Writers Workshop

Grumpy New York trolls demand a magician to send them anywhen. A twenty-pound cat teaches his owner about faith, as they both face the same life-threatening disease. Is there more to a tape measure than inches and feet? Might a tire-changing stranger be an angel in disguise? An odd ape-man pounding on a womans door refuses to believe her when she tells him, Nobodys Home. From horses to cats, homes to hospitals, hunting deer to hugging dear ones, Quills and Crossroads is sure to cater to every readers taste.
