

Dragonforge (Dragon Age series Book 2)

Following the events of the novel Bitterwood, a new and untested dragon-king now rules the land. The firebrand prophet Ragnar has raised an army of men to overthrow the dragons, and their first target is the town of Dragon Forge, home to the foundries that supply weapons and armor for the kings soldiers. Against this back-drop of war, the legendary dragon-slayer Bant Bitterwood finds himself in an uneasy alliance with a sun-dragon named Hex as they race to halt the genocidal schemes of the most dangerous creature alive: Blasphet, the Murder God. For the sake of humanity, join in Bitterwoods revolt. Kirkus Reviews
