

Night of the Dragonstar

Night of the Dragonstar (Book Two of the Dragonstar Series) by David Bischoff and Thomas F. Monteleone On a a miles-long spaceship on a journey between the stars ... After establishing communications with the sentient dinosaurs aboard the gigantic alien warship Dragonstar, the human exploration forces were ready to reveal their accomplishments to an eager public ... then disaster struck! During a live holovision broadcast, something made the cooperative Saurians go berserk and begin slaughtering and eating their former friends. At the same moment, the Dragonstars access hatches closed down, imprisoning all aboard her. Then, for the first time in centuries, the Dragonstars mighty engines started up ...
