

## Microwave Meals from Scratch

Bring your microwave oven back to its full potential with this handy collection of microwave recipes. This book is not about popping pre-packaged meals into the microwave for 2 minutes and being done. Its about creating savory, delicious meals using only your microwave. You will be preparing meals from scratch with no preservatives. Not only will they turn out tasting quite comparable to traditional cookery methods - but you wont have extra pots & pans to clean. Included are several recipes from soups & appetizers to main dishes & desserts which will help you create complete, tasty microwave meals for you and your loved ones.
