

## Edge of Infinity (The Infinity Project Book 2)

ONE GIANT LEAP FOR MANKIND Those were Neil Armstrongs immortal words when he became the first human being to step onto another world. All at once, the horizon expanded; the human race was no longer Earthbound. Edge of Infinity is an exhilarating new SF anthology that looks at the next giant leap for humankind: the leap from our home world out into the Solar System. From the eerie transformations in Pat Cadigans Hugo-award-winning The Girl-Thing Who Went Out for Sushi to the frontier spirit of Sandra McDonald and Stephen D. Coveys The Road to NPS, and from the grandiose vision of Alastair Reynolds Vainglory to the workaday familiarity of Kristine Kathryn Ruschs Safety Tests, the thirteen stories in this anthology span the whole of the human condition in their race to colonise Earths nearest neighbours. Featuring stories by Hannu Rajaniemi, Alastair Reynolds, James S. A. Corey, John Barnes, Stephen Baxter, Kristine Kathryn Rusch, Elizabeth Bear, Pat Cadigan, Gwyneth Jones, Paul McAuley, Sandra McDonald, Stephen D. Covey, An Owomoyela, and Bruce Sterling, Edge of Infinity is hard SF adventure at its best and most exhilarating.
