

## Environment 9e Binder Ready Version + WileyPLUS Learning Space Registration Card

This package includes an unbound, loose leaf copy of ISBN 9781118978443 and a registration code for the WileyPLUS Learning Space course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS Learning Space. Note that WileyPLUS Learning Space and traditional WileyPLUS codes are not interchangeable; check with your instructor to be sure that WileyPLUS Learning Space is required. For customer technical support, please visit <http://www.wileyplus.com/support>.

WileyPLUS Learning Space registration cards are only included with new products. Used and rental products may not include registration cards. Environment, 9th Edition Binder Ready Version weaves the central themes of Systems and Sustainability throughout the text to help students understand the connection between the core concepts of Environmental Science and their daily lives. The 9th edition features a rich collection of current case studies and in-text examples, highlighting local and regional issues which provide students with the science and tools to understand, apply, and think critically about environmental science. In addition to the text, the integrated learning design of WileyPLUS Learning Space incorporates a wealth of resources: animations, videos, podcasts, and interactive exercises. It also provides instructors a powerful tools to assess individual students progresses well as the class as a whole.
