

Psychiatric Mental Health Nursing: Concepts of Care in Evidence-Based Practice

Rely on the distinctive voice and dedicated vision of Mary C. Townsend to provide the most clearly written, comprehensive text for psychiatric mental health nursing. Follow an evidence-based, holistic approach to nursing practice that focuses on both biological and behavioral components. Thoroughly revised and updated, the 7th Edition adds a new emphasis on therapeutic communication and offers up-to-date coverage of Quality and Safety Education for Nurses (QSEN) initiatives. Plus, a BONUS CD-ROM provides additional practice with an electronic workbook and NCLEX-style questions, including alternate-item format questions.
