

Relocation (Comet Clement series, #11)

In the penultimate book of the Comet Clement series, all three arks face the impending decisions to return to a new Earth. Aboard the underwater seacraft, Tyler Ainsworth plots to take back control and rid his craft of unwanted passengers once and for all... In space, President Marshall is urged to push forward with one final deceit to better the odds of more space station passengers surviving a return to the Earth below... Underground, the Russians are ready to return to the surface while Americans at the facility prepare for a lengthy journey back to their home country. But one young couple decides to make their own plans to stay together while their families try to pull them apart...

Relocation is Book 11 of the Comet Clement series and sets up the exciting finale...
