

Even The Preacher Got A Side Chick

What do you do when you have to stand up in front of a congregation every Sunday and preach the word of God with your wife sitting in the front pew and your mistress only a few rows back? This is the life of Reverend Paul Stanley; Pastor of New Faith Missionary Baptist Church. The good Reverend is known to not only spread the word of faith, but also known to give himself to any woman that would open her legs to receive him. What the church doesn't know is that Paul has secrets that only God can forgive him for. Will they be exposed, or will Paul do everything in his power to keep them hidden? Travis Whitehead is the head deacon at New Faith Missionary, and good friends with Paul. These two are a prime example of: birds of a feather flock together. Travis is married to a young, educated and beautiful woman, but not even that's enough to keep him from sharing his bed with a forbidden fruit. Will Travis be able to cut ties with his mistress, or will she do anything to keep him? Karla Stanley is the first lady of New Faith and the HBIC, or so she thinks. She knows all about her husband's affairs with other women, but she turns a blind eye as long as the money continues to roll in and she can have her fun on the side as well. Everything is perfect for Karla until her secret life begins to slip from her grasp. Will Karla be able to hold on, or will it all blow up in her face? Step into this sanctuary of lies, sex, and deceit. These members are so scandalous that they'll leave you completely amazed. Sometimes the church isn't as holy as you think, and you'll find that out in, *Even The Preacher Got A Side Chick*.
