

All About Roses

Roses have been grown in gardens around the world for thousands of years and are still the most popular flower in the world. When you follow Diana Sargeant's advice in *All About Roses*, you will grow the most gorgeous roses, easily and naturally. Your rose garden will be a place for you to rest, respire and nurture all your senses. When you grow your own roses you will enjoy a sense of pride each time you look at them. As you walk through your garden, you can savour all the pleasures that roses offer. (Diana Sargeant)
