

## Exodus (Apocalypse Book 3)

NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers Book 3 of 4 in the YA Dystopian APOCALYPSIS Series, suitable for older teens and adults.

EXODUS. My name's Bryn Mathis. I'm seventeen years old, and my world has been turned upside down and inside out. I'm racing toward a future I cannot control. I thought I had everything worked out, but then things changed. I thought we were all cut off from one another, but it turns out, we were not. They say people are talking, and word about me and what I've done is spreading like the virus that wiped out millions of people, leaving us teens alone to fend for ourselves. And depending on who you are, and what you eat for dinner, I'm either your salvation or your target.

Content Warning: Mild violence and some foul language. Meant for older Young Adult readers (age 15+). This book is in the Dark Science Fiction / Horror / Post-Apocalyptic genres, featuring teen characters only.
