

## Tales of Engines & Demons: Volume 1

A story is never a single tale. Having spent his life hunting down the demonic relics of an old war, Templar Sorath Rourke is no stranger to death, but he is starting to believe that his latest assignment will be the one that finally kills him. Sent to the besieged city of New Broker by the secretive Guild of Engineers, he discovers evidence of a deadly creation that threatens the safety of his homeland, and his own mortality is suddenly the least of his worries. Meanwhile, Yosh Morrina, accomplished thief and fraudster, leaves the wealth and technology of the capital behind him to journey beneath a deserts rising sands in search of his lost love. Despite the fragments of nightmare that plague his sleep, he has no idea just how deadly his search has already become. Rourke and Morrina are about to embark on two dangerous journeys that will change the fate of the world. One of them is risking his life and his honour, and the other stands to lose his very soul.
