

Blackthorn: Thunder on Mars

Betrayed and left for dead on the battlefield, US Army General John Blackthorn awakens many thousands of years later to find himself trapped amidst the ruins of a post-apocalyptic Mars, his only companions a savage Mock-Man and a mysterious sorceress. Their war to free this strange new world from oppression won't be easy: Arrayed against them are the four tyrannical First Men--masters of magic and technology alike--the dreaded Sorcerers of Mars! BLACKTHORN: THUNDER ON MARS is a post-apocalyptic adventure saga in the spirit of Thundarr the Barbarian and John Carter of Mars, featuring original stories by New Pulp luminaries Mark Bousquet, Joe Crowe, Bobby Nash, James Palmer, Van Allen Plexico, Sean Taylor, and I. A. Watson, and illustrated by Chris Kohler. Original, entertaining, action-packed! --Wayne Reinagel, author of the Pulp Heroes and Modern Marvels novels.
