

Flury: Journey of a Snowman

Life hasn't been kind to Oliver Toye. As if juvenile diabetes isn't enough, he's forced to live with his tyrannical grandmother in a snow-bound house. He spends his days doing chores and the nights listening to the forest rumble. But when he discovers the first leather-bound journal, the family secrets begin to surface. The mystery of his great-grandfather's voyage to the North Pole is revealed. That's when the snowman appears. Magical and mysterious, the snowman will save Oliver more than once. But when the time comes for Oliver to discover the truth, will he have the courage? When Flury needs him, will he have the strength? When believing isn't enough, will he save the snowman from melting away? Because sometimes even magic needs a little help.
