

Unusually Stupid Americans: A Compendium of All-American Stupidity

A hilarious collection of lists, statistics, news items, quotations, and facts detailing stupid acts of Americans from all walks of life by the authors of the bestselling *The 776 Stupidest Things Ever Said*. Everyone knows that America is the land of the free and the home of the brave, but sometimes that means we're free to be as bravely stupid as we want! In *Unusually Stupid Americans*, Kathryn Petras and Ross Petras assemble choice bits of stupidity, U.S.A.-style, including the top seriously flawed American advertising moments, including Pacific Airlines brilliant "You're scared of flying? So's our pilot!" ad campaign, which led the airline to bankruptcy within two months of the campaign's inception; the Martin Luther King, Jr., celebration in Florida, where a plaque was unveiled that was intended to honor the actor James Earl Jones but instead read, "Thank you James Earl Ray for keeping the dream alive (an unfortunate slip-up, as James Earl Ray was King's assassin)" and much more!
