

## An Old Man And His Axe: A Prepper fiction book of survival in an EMP grid down post apocalyptic world (Old Preppers Die Hard) (Volume 1)

A Prepper fiction book of survival in an EMP grid down post apocalyptic world. Farley is a old prepper that is stuck in the city when a solar storm sets of a electromagnetic pulse event taking the grid down world wide.. Our hero stays in the city facing societal breakdown for ten weeks until it is evident he must escape and bug out somewhere. The problem is he only has a half tank of gas and not any means to get any more. His destination requires more fuel than that and he finds himself stuck on the side of a dirt road heading towards a lake cabin he once stayed in. A violent encounter changes his life and his circumstances forever as he tries to protect a boy and his mother in a apocalyptic world. This book is filled with the authors southern prepper fiction humor and wit that teaches you survival skills while entertaining with a tale full of twists and turns..
