

Freefall to Desire (New Year, New Love)

Three years ago Brianne Kenyon suffered the unthinkable: her fiancé disappeared while hiking the Rocky Mountains, never to be seen again. Heartbroken beneath an avalanche of grief, Brianne is not sure what her path holds. But just when she starts to regain her foothold on life, sexy Alex Thorpe returns to town and her pain reaches its peak. But so does her desire. Alex Thorpe knows why beautiful Brianne doesn't want to have anything to do with him and he doesn't blame her. After all, he was her former fiancé's best friend and hiking partner. But Alex can't fight the depths of his passion even when earth-shattering news threatens their trail to romance. Alex is determined to show Brianne that he, and their love, was meant to be the high point of her life.
