

Galaxy Asunder 3 (Battle Cards) (The Social Workshop)

Description Galaxy Asunder 3 The Social Workshop Battle Cards was created to turn an ordinary deck of playing cards into a brand new and exciting game that people of all ages can enjoy. Allow yourself to be drawn into the fantasy world we've created and battle against friend and foe alike. Playing the game is easy. All you need is one deck of playing cards and this instructional manual. Choose exciting pre-made characters, or use your imagination to create your own characters, each with their own bonuses and penalties, special attacks and devastating spells. Collect the spoils of war with each win and start that quest to become the paragon of a true warrior. Not everyone has what it takes to reach those lofty heights. Do you? In Galaxy Asunder, roughnecks from across the cosmos have descended upon a solar system in search of a mysterious artifact that has the entire galaxy buzzing with interest. The smugglers hope to sell it to the highest bidder. Mercenaries wish to fund a golden age for them and their benefactors. And what of the secretive bounty hunters? Well, no one really knows their motives. Nor does anyone know what else lays in wait for the heroes foolhardy enough to tempt fate. This standalone expansion includes 4 new bonus characters and ups the play count to a minimum of 2 players and a maximum of 12 players. It is not required to purchase the original game as this updated manual contains the full version of the game. Number of Players: 2 - 12 Estimated Playing Time: 1 Hour
