

Blue Haired Alien Girlfriend

This is a SHORT STORY approximately 5500 words long, which translates to about 25 printed pages. Joshua is a manager at FishBurgers who walks home alone every evening. One night, he comes across an unusual young woman by the name of Mariella sitting on a bench. Hes thrown for a loop when she tells him where shes from, but he doesnt mind. He doesnt mind the fact that she has blue hair either, in fact it makes her all that much more interesting. The people around Joshua feel that hes a bit odd and know very little about him. Each comes to their own snap judgements about him. Sometimes love can be a little quirky, sometimes it can be a lot quirky.
