

## Grendel Unit 2: Ignition Sequence

They are the universes most dangerous operatives. A covert group of military specialists who take on the hardest targets and never miss. Now, their team has been dismantled by the dangerous political maneuverings of their commanding officer, General Milner. Captain Vic Cojo and the massive mantipor known as Monster have been captured and imprisoned. Lieutenant Frank Kelly, the crews First Officer and tactical medic, now on trial as a potential conspirator, is facing the same fate as his former teammates. And worst of all, Yultorot, the religious fanatic who blew up an elementary school, is now working for Unification as an intelligence asset. Things have never looked darker for the Grendels. Prepare for ignition. PART TWO of Bernard Schaffers epic scifi action series!
