

Don of New York: The Hustle Dont Stop

Ethan Gold grew up a misfit. Mislead, misguided and misunderstood. But his determination, drive and will to be more than what everyone expected him to be; fueled him to push harder. In this first installment of Don of New York: The Hustle Dont Stop; Ethan comes of age in the streets. After the company he worked for files for bankruptcy, and closed down, he still has the responsibility of a child on his shoulders, Ethan is forced to make a life changing decision. Sure page-turner! A fast-paced, descriptive coming of age tale that takes place in the gritty and mean streets of NYC!
