

## Harriet Lane Handbook and Harriet Lane Handbook of Pediatric Antimicrobial Therapy Package, 2e (Mobile Medicine)

Buy the new edition of The Harriet Lane Handbook together with the new Harriet Lane Handbook of Pediatric Antimicrobial Therapy together and save! The Harriet Lane Handbook represents over 50 years of expert guidance for pediatric residents and all those who treat children. The latest edition includes Expert Consult functionality, allowing you to access the complete contents of the book online, fully searchable. Regular online updates to the books trademark formulary keep you absolutely current. The new Harriet Lane Handbook of Pediatric Antimicrobial Therapy expands on the indispensable Harriet Lane formulary to help you effectively treat a broad spectrum of pediatric infections. Both titles organize a wealth of information into a convenient, pocket-sized format that you can reference anywhere. By purchasing them together, youll be saving money while expanding the essential answers that youll have at your fingertips. The Harriet Lane Handbook, 18th Edition offers new or revised chapters on palliative care, toxicology, dermatology, and growth and nutrition to help you streamline diagnosis and treatment. Expert Consult functionality allows you to access the complete contents of the book online, fully searchable, with regular updates to the drug formulary. The Harriet Lane Handbook of Pediatric Antimicrobial Therapy delivers a complete listing of all antibiotic and non-antibiotic treatments and indications for use, as well as detailed discussions on antibiotic resistance, post-exposure prophylaxis, and a large section that details adverse effects - allowing you to quickly and accurately choose the right medication for anything you encounter. A special package price allows you to own both of these indispensable resources at a substantial savings. Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no

longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online access to the web site be discontinued.
