

Into the Wasteland - A Dystopian Journey (The Ishtato Saga) (Volume 1)

I blink into awareness in a clinically clean hallway, surrounded by tangerine-garbed murderers and psychopaths. I have no idea who I am or why I'm a part of this Hell-bound group. A guard in riot gear hands me a Ruger double-action revolver. I'm told if I can make it through the no-mans-land alive, I might have a chance at amnesty. All I have to do is trek the two-hundred-and-fifty miles north through desolate wasteland to the Gate. Alone. I could say this is the worst day of my life, but I honestly have no idea. Into the Wasteland follows one young woman's journey through treacherous landscapes, backstabbing strangers, and lethal challenges. If she survives, her path will lead her to a final destination beyond anything she could have imagined. All authors proceeds from sales of Lisa Shea's dystopian novellas benefit battered women's shelters. Lisa's novellas are teen-friendly. They are written without explicit intimacy or violence.
