

Heaven Cant Wait

My name is Heaven. Dont ask me why my mama named me that cuz I couldnt tell you. It seems like my life has been one hellish event after another, but Im a fighter so I know I get through anything. Well, thats what I thought until I found myself torn between two men and faced with making a decision between life and death. I know what youre thinking, another love triangle, but believe me this anything but a LOVE triangle. Who knew that one bad could result in so much hate, violence and destruction? In the end, I just may have to walk through hell one last time. The only thing is, Im not sure Ill make it out this time.
