

The Real Deal: Pack B of 5

This series offers a non-judgmental look at the issues affecting young people today. It explores how our choices affect us in the short term, as well as the long term and encourages readers to think about their own experiences and discuss their feelings. It expresses a range of different opinions and ideas to encourage discussion. It shows the long term effects of the choices we make today, giving the reader a different perspective. It includes information on where to get further help and advice.
