

Highway to Hell (Can You Survive the Zombie Apocalypse?)

The sequel to the pick-your-own-path adventure *Can You Survive the Zombie Apocalypse?*, which the Florida-Times Union hailed, may just be the best thing to happen to literary zombies since Max Brooks for fans of the blockbuster phenomenon *The Walking Dead*. You've probably read your fair share of zombie stories. But this time it's different. In a horrific and hilarious cross-country road trip (or rather, suicide mission), you must overcome obstacles of every kind to save zombie-infested America from utter collapse. You're inside your prison cell, waiting to be released. Your name is Jimmy El Camino, and you're a badass, a Rambo with style. Snake Plissken with a failing liver. You've killed more men than cancer. But more men than the zombie apocalypse? That's questionable. Your mission? Drive your heavily armed 1967 El Camino from New York City to San Francisco in order to save the world. Along the way, you'll encounter Ringo's Most Wonderful Circus Show; you'll battle zombies gladiator-style; you'll be forced to deal with lunatics. And every step of the way, an army of drivers in armored vehicles is hot on your tail because there is one man, the mayor of New York, who will stop at nothing to keep this apocalypse of the undead alive.
