

Hood Misfits Volume 2: Carl Weber Presents

The Misfits are back and now they are international. Trigga, Diamond, and the crew are in London. Dame is dead and everything should be perfect, but when a plan works too perfectly, there is bound to be some unfinished business. Secrets are bound to be exposed. Diamond has learned the game, and now she must continue to embrace a life she was not meant to live, while coming to terms with the truth of her own past. Trigga thought he was going to be able to give his new family peace, but when ghosts from the past appear in London, that peace starts to unravel the new gang. Can Trigga keep Diamond safe, and can he really trust those around him if he doesn't truly know them? Every Nigga Gotta Agenda was once just a motto; now it is a way of life. Travel through the streets of London, England and meet some new misfits, as a battle royal begins and eventually takes them back to the streets of Atlanta for a final showdown.
