

## Stiletto: A Caddy Rowland Psychological Thriller & Drama (The Avengement Series Book 1)

The Avengement Series: Sometimes a person gets pushed too far. Book One: Stiletto (A Caddy Rowland Psychological Thriller & Drama) Never underestimate the value of a kick-ass pair of heels. Sexy shoes can make a woman feel beautiful. They can also bring a man to his knees or worse. Once John Mickelson slithers out from any blame for the devastation he's caused with his Ponzi scheme, Jasmine Albertson finds herself barely left breathing. He's taken everything: her husband, her money, her home, and her child. She can barely see through the haze of pain and hate. However, one thing is very clear: John Mickelson is going to pay, and she's going to be the one doing the collecting. (Note: Although there is an object tying these novels together, each gritty drama is a stand-alone psychological suspense thriller with a complete story arc.)

Karma really can be a bitch, especially when it scores a willing partner. Themes in this book: revenge, retribution, vigilante justice, failure of the justice system, abuse of power.
