

Monte Cooks World of Darkness (World of Darkness (White Wolf Hardcover))

The World of Darkness Re-Imagined
This book includes a complete setting: a new vision of the World of Darkness. Characters play as vampires, mages, werewolves, demons, or Awakened. They wield frightening supernatural powers against their own kind. The world is the one we know, but now much darker: destruction in the central US, nightmares coming to life, and beasts roaming shattered cityscapes. Uses the most popular roleplaying game system in the world.
