

## Canine and Feline 101: A complete guide for selecting, training, and caring for dogs and cats.

Here is a unique canine and feline information book, where licensed veterinarian Roger L. Welton provides answers to the most common queries he encounters both in clinical practice and from his veterinary advice website, AskDVM.com: Veterinarian Advice Online ([www.askdvm.com](http://www.askdvm.com)). The insights contained within these pages are the result of years of experience with companion animals, extensive veterinary medical training, and clinical practice. Covering important topics such as selecting the right dog or cat to fit you and your family's needs, care, and husbandry, basic training, preventative medicine, and common signs of illness, this book is a must-have for future and current dog and cat owners.
