

Human Development with Student CD and PowerWeb

Human Development, Ninth Edition, is an accessible and applied 4-color text for the chronological Human Development course. With the help of professional writer, Ruth Feldman, this author team combines up-to-date research coverage with the broadest array of parenting, nursing, and education applications available. It includes coverage of social policy, cross-cultural topics, and issues facing a diverse population, as well as extensive examples relating to health issues and applications.
