

Minecraft (Book Five): Diary of a Curious Minecraft Creeper (An Unofficial Minecraft Book, Minecraft Books for Kids, Minecraft Diary) (Steves Minecraft Diaries 5)

Hello friends! My name is Steve. Some of you may have encountered me in the vastly diverse world of Minecraft. Throughout my years of adventure, I have crossed paths with many friends and a few foes. These diaries that I have collected are the fascinating tales that my friends have entrusted with me so that their legendary stories live on forever. Kyle was a creeper who was curious about the ways of life. Why did the village elder leave him where he was? What was he exactly? How come he didnt blow things up like other creepers? Well, as Kyle started to explore, he came across a library, and a man named Ryan. Ryan was soon to be a friend, and the two of them go on grand adventures. From saving a town to even saving their own skin, the two of them learn a lot about one another. But will they be able to find the elder? I hope you will deeply enjoy this adventurous story! -Steve ** For a Short Time You will get Two Bonus eBooks Included for FREE** *Download for FREE with Kindle Unlimited*
