

## Ilium (Ilium series Book 1)

The Trojan War rages at the foot of Olympus Mons on Mars -- observed and influenced from on high by Zeus and his immortal family -- and twenty-first-century professor Thomas Hockenberry is there to play a role in the insidious private wars of vengeful gods and goddesses. On Earth, a small band of the few remaining humans pursues a lost past and devastating truth -- as four sentient machines depart from Jovian space to investigate, perhaps terminate, the potentially catastrophic emissions emanating from a mountaintop miles above the terraformed surface of the Red Planet.

**Ilium (Ilium, book 1) by Dan Simmons - Fantastic Fiction** I Recommend. Olympus by Dan Simmons (Book 2 in Ilium/Olympus series) Viking Warrior (The Strongbow Saga, #1) by Judson Roberts.
