

101 Whiskies to Try Before You Die

Fully updated and revised in 2013, 101 Whiskies to Try Before You Die is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 best whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. This is a desert island list of whiskies - fully revised and updated in the light of the industry's constant need to keep changing things! Try them before you die - Slainte!
