

# Investing for Dummies

Whether you invest a hundred dollars or a million dollars, you need sound advice. Maximize your investment with financial whiz Eric Tysons down-to-earth, easy-to-understand material; he gives you the tips, techniques, and strategies you will need to make sound investment decisions. Plus you'll learn how to understand the risks and returns involved in different types of investments, how to invest in stocks, bonds, and mutual funds with confidence, how to purchase and invest in real estate with success, and how to start or buy your own small business. Investing for Dummies makes money matters simple and fun, and promises many happy returns.
