

Jim Murrays Whisky Bible 2008

Jim Murrays Whisky Bible 2008 is the fifth edition of the highly successful and innovative book that had its genesis in 2003. Now well-established as the market leader, the Bible is published well in time for the annual Christmas whisky-buying surge and takes account of all the latest developments in the world of the wee dram. What makes this book such a tour de force, however, is the tasting notes on hundreds and hundreds of different brands. The author has travelled around the world checking out whisky from distilleries as far-flung as Argentina and Thailand, as well as the world-leaders in Scotland, Ireland, the United States and Japan. In terms of whisky, this is the gospel!
