

Dig This! Landscaping Without a Backhoe or a Big Budget for Northern California and Beyond

Dig This! guides home gardeners through the process of landscaping from creating a sketch map, moving the earth, and designing a watering system, to planting trees, mulching the beds, and greening up the lawn. With illustrations and excellent advice on how to plan well, shop intelligently, and work efficiently, the award-winning author suggests practical ways to break the job down into manageable tasks. Her step-by-step method helps any gardener to create their own personal paradise.
