

Jump Out Boyz (The Price of Heir Book 4)

When Rock City, North Carolina falls into the shadows of a drug war, and the crime rate surpasses the graduation rate, the local police department has to make a stand. To combat the embarrassment and agony of countless police officers murdered in the line of fire, the R.C.P.D. authorizes a new Task Force to take the streets by storm. The Jump Out Boyz, nicknamed by their victims for their unique way of hopping out of moving unmarked vehicles before you can bat an eye, hit the pavement with a vengeful mission. Everything is going well for the elite squad until greed and power thirst takes control over their actions. Once sworn to uphold the law, the Jump Out Boyz slowly lean towards fighting crime with crime and justifying their actions as civil servants. From stealing money from the pockets of drug dealers in exchange for freedom, to confiscating narcotics and recycling them back into the streets for profit, the Jump Out Boyz get ahead of themselves and up to their badges in secrets. Now caught deep in a pile of drama that they previously swept under a rug, They must figure out how to right their wrongs, or suffer the exact fate as their prey...
