

## Kaiju Spawn

Wally didnt believe it was really the end of the world until he saw the Kaiju with his own eyes. The great beasts rose from the Earths oceans, laying waste to civilization. Now Wally must fight his way across the Kaiju ravaged wasteland of modern day America in search of his daughter. He is the only hope she has left ... and the clock is ticking. From authors David Robbins (Endworld) and Eric S Brown (Kaiju Apocalypse), Kaiju Spawn is an action packed, horror tale of desperate determination and the battle to overcome impossible odds.
