Barbarism and violence are rife on the western frontier. When Cassidy rode into the little trail town of Chico in North Arizona Territory, all he wanted was a bath, a decent meal and a glass of whiskey.

What he got was a gunfight, a robbery and a price on his head for a murder he did not commit. Cassidy soon discovers that the same men who stole his money, were the ones framing him for the killing. Bent on revenge and determined to recover his life savings he tracks them deep into the desert. But with men hounding him down and baying for his blood, and Apaches attacking him along the trail, it is no easy ride. Will Cassidy get to the robbers, before the law gets to him? Or will he be hanged for a murder he didn't commit? Last Shot is a magnificent tale of heroism, honour and loyalty, which culminates with a dramatic showdown.
