

Latter Rain (Urban Books)

Hustling wasn't easy, but Isaac did his best. He ruled the underworld like a predator a self made CEO of the streets. But one woman dared to show him a better way. Her way changed all the rules. Now, all Isaac wants is to live for God and win back his baby's mama, Nina Lewis. But when the past catches up with Isaac, and tragedy creeps in his back door all bets are off. Can a hustler change his ways or will tragedy cause Isaac to turn back to his former condition?
