

## Le pere Goriot (French Edition)

La Comedie humaine - Etudes de moeurs. Troisieme livre, Scenes de la vie parisienne - Tome I. Neuvieme volume de ledition Furne 1842. Extrait : La vieille demoiselle Michonneau gardait sur ses yeux fatigues un crasseux abat-jour en taffetas vert, cercle par du fil darchal qui aurait effarouche lange de la Pitie. Son chale a franges maigres et pleurardes semblait couvrir un squelette, tant les formes quil cachait etaient anguleuses. Quel acide avait depouille cette creature de ses formes feminines ? elle devait avoir ete jolie et bien faite : etait-ce le vice, le chagrin, la cupidite ? avait-elle trop aime, avait-elle ete marchande a la toilette, ou seulement courtisane ? Expiait-elle les triomphes dune jeunesse insolente au-devant de laquelle setaient rues les plaisirs par une vieillesse que fuyaient les passants ? Son regard blanc donnait froid, sa figure rabougrie menacait. Elle avait la voix clairette dune cigale criant dans son buisson aux approches de lhiver. Elle disait avoir pris soin dun vieux monsieur affecte dun catarrhe a la vessie, et abandonne par ses enfants, qui lavaient cru sans ressource. Ce vieillard lui avait legue mille francs de rente viagere, periodiquement disputes par les heritiers, aux calomnies desquels elle etait en butte. Quoique le jeu des passions eut ravage sa figure, il sy trouvait encore certains vestiges dune blancheur et dune finesse dans le tissu qui permettaient de supposer que le corps conservait quelques restes de beaute.
