

## Basic Horse Training

Most books and videos on horse training will show you how to halter, rub down, and ride your horse ... but they leave out everything in between. Basic Horse Training provides beginning riders with all the information they'll need to get started: Gaining your horse's trust Lunging Leading Getting saddled Mounting Riding posture Turning Handling changes in terrain With helpful illustrations and clear, step-by-step instructions, Michael Hockemeyer guides you through every point in the process. If you love horses but you aren't sure how to work with them, Basic Horse Training is the book you've been waiting for.
