

Titanic 2012: Curse of RMS Titanic

This historical generational horror/suspense/science fiction audiobook defies genre classification as it has intrigue and terror. It is a Centenary retelling of the Titanic story to destroy all the false legends surrounding Titanic. From a master of terror and suspense, according to Clive Cussler, author of Raise the Titanic, herein lies a compelling reason that forces Captain Edward J. Smith to scuttle his own ship - RMS Titanic. What dark secret prompts such an action on the part of a veteran, retiring captain on a ships maiden voyage? What prompts men 100 years later to pillage the wreck of the Titanic? What secret lies buried within the lost ship - a secret that could destroy all life as we know it? The answers are unveiled in April 1912 and in April 2012, and there will be blood....
