

Andromedas War (Legion of the Damned)

The final novel in the Legion of the Damned prequel trilogy from the national bestselling author of *Andromedas Choice* and *Andromedas Fall*. Now a platoon leader, Legionnaire Andromeda McKee seems to have successfully left behind her true identity of Lady Catherine Cat Carletto, one of the last two surviving members of her family targeted for death by Empress Ophelia. After failing at her one shot at vengeance, Andromeda questioned her own resolve. But now her uncle has been killed in a government raid back on Earth, leaving her the last Carletto standing and the family's only chance for justice. A chance that comes when the empress's ship crashes on a hostile planet. As a legionnaire, Andromeda McKee has countless kills under her belt. But it will be Cat Carletto who has to pull the trigger on the one who really matters.
