

Canary - The History of a Family

This fascinating book contains the story of the author's personal experiences with his own canaries. A wonderful insight into the nature and habits of canaries, this text will be thoroughly enjoyed by those with an interest in canaries. It constitutes a worthy addition to any collection of avicultural literature. The chapters of this book include: The years 1925 to 1930, The Rise of the Striped, The Canary Mind, Crusty, First Steps, Song, Affairs of the Day, The Story of Cinnamon, and The Future. Many antique books such as this are increasing hard to come by and costly. We are proud to republish this book now complete with a new introduction on aviculture.
